

## What is the CD100?

The CD100 is a group of more than one hundred people from the Central District of The Alliance (high school through adult) who are at any stage in the process of discerning a call to full-time, cross-cultural ministry (overseas missions). This includes:

- Those who are willing to go anywhere in the world the Lord may someday call them... even if you don't have a specific place or people in mind.
- Those who have already received a definitive call from the Lord to overseas ministry... even if you don't have a specific place or people in mind.
- Those who have received a definitive call from the Lord to minister in a specific place or to a specific people overseas.

## Why Do We Exist?

The CD100 exists for three primary purposes:

- **Family** -The journey of an international worker can be lonely. The CD100 provides a network of like-minded people who understand, encourage, and love each other along the way. Throughout the year we gather together in a variety of ways such as:
  - One-on-One Coaching / Mentoring
  - Follow the Call Retreat
  - Christmas Party
  - Zoom calls
- **Guidance** - The CD100 helps you navigate the various pathways to the mission field in an increasingly complex global landscape. A team of Central District pastors and missionaries are available to offer advice, answers, and encouragement as you pursue serving overseas with The Alliance.
- **Accountability** - When you join the CD100, you go on record as one who is willing to answer the call. You also gain a district-wide network of prayer supporters.
